

## Producer: IRALAB

Commercial Name	INCI	Description
25% HYDROLYZED KERATIN	Aqua, Hydrolyzed Keratin, Pentylene Glycol	Restructuring action both on normal and treated hair
50% HYDROLYZED COLLAGEN	Hydrolyzed Collagen, Aqua, Polysorbate 20, Ethylhexylglycerin, Caprylyl Glycol, 1,2-Hexanediol, Tropolone	Film forming, moisturizing and protective
MARINE COLLAGEN PF	Aqua, Pentylene Glycol, Soluble Collagen, Polyacrylamide, C13-14 Isoparaffin, Laureth-7	Film forming, moisturizing and protective
GLYCOSAMINOGLYCANS PF	Aqua, Sodium Chondroitin Sulfate, Pentylene Glycol	Humectant, moisturizing and natural gelling agent
HYALURONIDASE	Maltodextrin, Hyaluronidase	Anti-blemishes
20% HYDROLYZED ELASTIN PF	Propylene Glycol, Aqua, Hydrolyzed Elastin, Pentylene Glycol	Film forming and moisturizing
MUCOPOLYSACCHARIDES PF	Aqua, Sodium Chondroitin Sulfate, Pentylene Glycol	Moisturizing and elasticizing properties
HYDROLYZED SILK PROTEIN	Propylene Glycol, Aqua, Hydrolyzed Silk, Sodium Methylparaben, Sodium Dehydroacetate, Sorbic Acid, Tetrasodium EDTA	Hydrating and sustaining effect on hair cuticle
SOD NSC (SUPEROXIDE DISMUTASE)	Aqua, Propylene Glycol, Polysorbate 20, Dipotassium Phosphate, Ethylhexylglycerin, Potassium Phosphate, Caprylyl Glycol, 1,2-Hexanediol, Superoxide Dismutase, Tropolone	High anti free radical action
IRAFRUIT A.H.A	Propylene Glycol, Lactic Acid, Aqua, Citric Acid, Citrus Grandis Fruit Extract, Solanum Lycopersicum Fruit, Vaccinium Myrtillus Leaf Extract, Malic Acid, Caramel, Sodium Hydroxide, Citrus Limon Peel Extract	Keratolytic and exfoliant
PHYTODERMINA HC	Propylene Glycol, Aqua, Pentylene Glycol, Hydrolyzed Soy Protein	Film forming, moisturizing and revitalizing

<b>Commercial Name</b>	<b>INCI</b>	<b>Description</b>
PHYTODERMINA WHITENING	Propylene Glycol, Aqua, Ethoxydiglycol, Glycyrrhiza Glabra Root, Lactic Acid, Kojic acid	Enhance the whitening activity
PHYTODERMINA LIFTING	Hydroxypropyl Cyclodextrin, Aqua, Propylene Glycol, Sodium Methylparaben, Sodium Dehydroacetate, Sorbic Acid, Tetrasodium EDTA Azione stirante antirughe	Anti-wrinkle
50% ARBUTIN CYCLOSISTEM COMPLEX	Arbutin, Cyclodextrin, Sodium Metabisulfite	Depigmenting action
50% CAFFEINE CYCLOSISTEM COMPLEX	Caffeine, Cyclodextrin	Actives against cellulite's derived skin imperfections
50% MENTHOL CYCLOSISTEM COMPLEX	Cyclodextrin, Menthol	Refreshing, cool effect
15% TEA TREE OIL CYCLOSISTEM COMPLEX®	Cyclodextrin, Melaleuca Alternifolia Leaf Oil	Emollient, nourishing, insect repellent action and acts as cutaneous disinfectant
15% VITAMIN A ACETATE CYCLOSISTEM COMPLEX®	Cyclodextrin, Retinyl Acetate, Helianthus Annuus Seed Oil, BHT	Active against free radicals
21% MULTIVITAMIN A-C-E CYCLOSISTEM COMPLEX	Cyclodextrin, Retinyl Acetate, Ascorbic Acid, Tocopherol, Helianthus Annuus Seed Oil, BHT	Skin elasticity, active against free radicals, a profound moisturizing activity
15% VITAMIN E ACETATE CYCLOSISTEM COMPLEX®	Cyclodextrin, Tocopheryl Acetate	Active against free radicals
20% L-CARNITINE CYCLOSISTEM COMPLEX	Cyclodextrin, Carnitine	Slimming action, promotes fat oxidation

<b>Commercial Name</b>	<b>INCI</b>	<b>Description</b>
MOISTURIZING FACTOR CYCLOSYSTEM COMPLEX	Propylene Glycol, Aqua, Hydrolyzed Collagen, Sodium Dehydroacetate, Hydroxypropyl Cyclodextrin, Imidazolidinyl Urea, Proline, Sodium PCA	Moisturizing action
50% SALICYLIC ACID CYCLOSYSTEM COMPLEX®	Salicylic Acid, Cyclodextrin	Disinfectant, bacteriostatic and keratolytic properties
50% GLYCOLIC ACID CYCLOSYSTEM COMPLEX®	Glycolic Acid, Cyclodextrin	Keratolytic and exfoliating action
80% GLYCOLIC ACID CYCLOSYSTEM COMPLEX	Glycolic Acid, Cyclodextrin	Keratolytic and exfoliating action
50% DHA CYCLOSYSTEM COMPLEX	Dihydroxyacetone, Cyclodextrin	Gives a color similar to a real tan
20% VITAMIN C CYCLOSYSTEM COMPLEX	Cyclodextrin, Ascorbic Acid	Moisturizing, emollient and nourishing
50% AZELAIC ACID CYCLOSYSTEM COMPLEX	Azelaic Acid, Cyclodextrin	Antibacterial, keratolytic action, reduces pigmentation
α-LIPOIC ACID CYCLOSYSTEM COMPLEX	Thioctic Acid, Cyclodextrin	Free radicals scavenger, prevents and reduces aging effects and effects caused by the rays of the sun
COENZYME Q10 CYCLOSYSTEM COMPLEX®	Cyclodextrin, Ubiquinone, Ethyl Ether	Scavenger activity anti-free radicals
RETINOL 33.000 IU/G CYCLOSYSTEM COMPLEX®	Polysorbate 20, Aqua, Caprylic/Capric Triglyceride, Hydroxypropyl Cyclodextrin, Retinol, Sodium Betabisulfite, Tocopherol, BHT	Protective of the epidermis and active against free radicals

<b>Commercial Name</b>	<b>INCI</b>	<b>Description</b>
30% 18-β-GLYCYRRHETIC ACID LIPOSYSTEM COMPLEX®	Lecithin, Glycyrrhetic Acid, Glycerin	Lightening action and decongestant properties
20% ALOE VERA LIPOSYSTEM COMPLEX	Lecithin, Propylene Glycol, Glycerin, Aqua, Aloe Barbadensis Leaf Juice	Restructurant, cicatrizant, lenitive
5% α-BISABOLOL LIPOSYSTEM COMPLEX	Lecithin, Alcohol Denat., Glycerin, Bisabolol	Decongestant and soothing
20% GINKGO BILOBA EXTRACT LIPOSYSTEM COMPLEX®	Lecithin, Propylene Glycol, Glycerin, Aqua, Ginkgo Biloba Leaf	Stimulating activity, actives against cellulite's derived skin imperfections
β-CAROTENE LIPOSYSTEM COMPLEX	Lecithin, Glycerin, Alcohol, Denat., Polysorbate 80, Aqua, Zea Mays Oil, Beta-Carotene, Tocopherol	Antiage and protective factor
5% PANTHENOL LIPOSYSTEM COMPLEX	Lecithin, Glycerin, Alcohol Denat., Panthenol	Moisturizing, soothing and hair restructuring
RETINOL & RETINIL PALMITATE LIPOSYSTEM COMPLEX	Lecithin, Caprylic/Capric Triglyceride, Retinyl Palmitate, Retinol, BHT	Antiage and active against free radicals
10% VITAMIN C LIPOSYSTEM COMPLEX	Lecithin, Glycerin, Ascorbic Acid, Aqua, Alcohol Denat	Moisturizing, emollient and nourishing
5% L-CARNITINE LIPOSYSTEM COMPLEX	Lecithin, Glycerin, Alcohol Denat., Aqua, Carnitine	Strong effective energizing and detoxifying action
PEROXIDASE 100.000 IU/KG LIPOSYSTEM COMPLEX®	Lecithin, Glycerin, Alcohol Denat., Aqua, Lactoperoxidase	High anti free radical action

Commercial Name	INCI	Description
SUPEROXIDE DISMUTASE 1.000.000 IU/KG LIPOSYSTEM COMPLEX®	Lecithin, Alcohol Denat., Glycerin, Aqua, Superoxide Dismutase	High anti free radical action
10% COENZYME Q10 LIPOSYSTEM COMPLEX®	Lecithin, Ubiquinone, Glycerin, Aqua	High anti free radical action
13% L-GLUTATIONE REDUCED LIPOSYSTEM COMPLEX	Lecithin, Aqua, Glutathione, Glycerin, Alcohol Denat.	Very important antioxidant, antiage and preserving agent
20% DMAE BITARTRATE LIPOSYSTEM COMPLEX	Lecithin, Dimethylaminoethanol Tartrate, Aqua, Glycerin	Increase in skin firmness and reduction of fine lines and wrinkles
RETINOL 33.000 IU/G LIPOSYSTEM COMPLEX®	Lecithin, Glycerin, Caprylic/ Capric Triglyceride, Alcohol Denat., Retinol, BHT	Protective of the epidermis and active against free radicals
